Residential Living - Key Feature Statement

Aldinga Beach Court

Aldinga Beach

6 Pridham Boulevard Aldinga Beach

Aldinga Beach Court is one of Life Care's five Residential Living communities. It offers modern living in a stunning coastal location. Aldinga Beach Court has been designed to create a community environment that focuses on a high quality of life and provide all residents with opportunities to 'Live Every Day'.

Aldinga Beach Court's spacious and contemporary design offers a range of beautiful indoor and outdoor areas for residents and their families to enjoy.

Aldinga Beach Court has 10 houses each with 9-14 bedrooms, lounge, kitchen and dining room where residents enjoy meals from an à la carte menu. This style of living encourages staff and resident interaction and participation in activities that reflect the normal rhythms of life.

Residents are encouraged to personalise their rooms with their own chairs, pictures and small mementos and make it individual, homely and familiar.

Aldinga Beach Court is conveniently located opposite public transport and the local shopping centre offering retail, post-office and banking facilities.

Our residents are encouraged to engage, participate and become actively involved in the Aldinga Beach Court community. There are regular social outings and activities, tailored to residents' interests, including excursions, exercise classes, table games, arts and crafts, men's groups, bingo, gardening, knitting, cooking and visiting groups.

Life Care also helps residents stay connected with their own communities and clubs wherever possible with the assistance of volunteers.

Residents' health, fitness and well-being is supported by health professionals, their visiting doctor and Life Care's caring and skilled team.

Aldinga Beach Court also has four dedicated memory support houses for those residents with cognitive decline/dementia. Life Care has adopted contemporary, world-class design features to support people living with dementia. Supported by one-to-one interaction with each resident, our staff are passionate and committed to helping find the person behind the dementia and to create meaningful roles and activities for them each day.

At Life Care, we can give you peace of mind, and the support you need.

Pricing

The aged care system in Australia aims to make sure that all older people can receive support and quality care when they need it. Current Government aged care reforms mean that all people entering residential living after 1 July 2014 have more flexibility and choice about how they pay for their accommodation.

See our Information sheet, **Aldinga Beach Court Residential Living Room Options & Pricing** for room style and costing options.

Call 1800 555 990 to talk to us about Aldinga Beach Court or any of Life Care's services.
