

Respite at Norman House

Norman House

28 Norman Terrace
Everard Park

We know the value of Respite and we are keen to work through the options to ensure you get the support you need.

At Life Care, Respite is about providing quality care on a temporary basis to carers, allowing them to have a much needed break from their day-to-day commitments.

Life Care is committed to providing support to those people who are caring for others in the community. We recognise how important carers are, and that they often need as much support as the person they are caring for.

We can provide Respite for various lengths of time, from a couple of hours or an overnight stay, right through to a couple of months. These Respite options are available either in your own home, at one of our Residential Living homes or at our dedicated Respite home at Everard Park, called Norman House.

Our Respite program at Norman House offers a range of activities, outings, social groups and support. These temporary breaks have a very positive effect on both the physical and emotional well being of the person in Respite, as well as the carer.

Day and Overnight Respite

Life Care offers day, overnight or short-term Respite at our dedicated Respite home at Everard Park, Norman House.

It means people can stay for a few hours or a few days while their carers take a short holiday, catch up with family, or simply run errands.

This beautifully restored home with deluxe furnishings and facilities, accommodates 4 guests overnight (including carers if they wish to stay) and up to 12 guests during the day. This 'home' style Respite provides an expert caring, welcoming and personal environment for everyone who stays there.

Norman House half-day or day programs include a range of activities including on-site and pre-arranged outings.

All carers who access our day and overnight programs may also choose to join in a range of carer support programs including information sessions, social groups and outings.

Norman House stays are inclusive of all meals and services.

Pricing

The cost of Respite, either in your home or at Norman House, will depend on what type of services you need. Some services are partly funded by Government Programs. Please call us and we will explain all of the options available.

The Next Step

If you would like to tour Norman House please **call 1300 555 220 to make an appointment.**

At your appointment you will be able to tour the house and meet the Respite Team at Norman House and discuss your Support Plan.

A guest Support Plan is essential to ensure all personal care needs are met.

Bookings can also be made by calling 1300 555 220.

We understand that you may have many questions before making a decision. We're here to help and are happy to talk about all your options and the next step.

Call our Respite Team at Norman House on 1300 555 220 or email enquire@lifecare.org.au.
